

WE WELCOME THE OPPORTUNITY TO ASSIST YOU. IF YOU HAVE ANY QUESTIONS OR WOULD LIKE ADDITIONAL INFORMATION, PLEASE GIVE US A CALL AT - (022) .66372990 / 32062085

# KRISHGEN BioSystems

We represent Promocell GmbH, Germany exclusively in India. Promocell is a German company and a leader in primary human cells in Europe with leading companies and institutes using their cells. Primary human cells consists of cell culture systems for keratinocytes, melanocytes, HUVECS, fibroblasts etc.

Promocell also supplies medias and reagents for these systems. Based in Hiedelberg, Germany; it has access to the University of Heidelberg – Germany’s premier scientific university. Since 2008 Jan, these products have been made available by us at KRISHGEN.

## ENDOTHELIAL CELL

- Normal Human Aortic Endothelial Cells
- Normal Human Artery Endothelial Cells
- Human Aortic Adventitial Endothelial Cells
- Microvascular Endothelial Cells
- Normal Human Bladder Endothelial Cells
- Normal Human Saphenous Vein Endothelial Cells
- Normal Human Umbilical Vein Endothelial Cells

## SMOOTH MUSCLE CELLS

- Normal Human Umbilical Artery Smooth Muscle Cells
- Normal Human Pulmonary Artery Smooth Muscle Cells
- Normal Human Coronary Artery Smooth Muscle Cells
- Normal Human Pulmonary Smooth Muscle Cells
- Normal Human Tracheal Smooth Muscle Cells

## FIBROBLASTS

- Normal Human Dermal Fibroblast
- Normal Human Pulmonary Fibroblast

## MELANOCYTES

- Normal Human Melanocytes
- Normal Human Melanocytes, (M2 med)

## KERATINOCTYE

- Normal Human Keratinocytes
- Normal Human Coronary

## AIRWAY EPITHELIAL CELLS

- Normal Human Nasal Epithelial Cells
- Normal Human Broncheal Epithelial Cells
- Normal Human Tracheal Epithelial Cells

## NORMAL HUMAN WHITE PREADIPOCYTE

- NORMAL HUMAN SKELETAL MUSCLE CELLS
- NORMAL HUMAN CHONDROCYTES
